Celebration Park was established as Idaho's only archaeological park in 1989. It is located on the Snake River at the western boundary of the Snake River Birds of Prey National Conservation Area. This area was a wintering ground for Paiute Indians along the Snake River. Travelers worldwide have come to enjoy the high desert flora, scenic land features, and unique Indian art dating to 12,000 years ago. Take a self-guided tour or stop in at the visitor center. Guided tours are available by reservation. Campsites are also available.
