Continue heading north on 21 towards Stanley. Approximately 37 miles past Lowman on the left is the turn off. There is a sign that says: "Bruce Meadows, Boundary Creek, Cascade, etc." You should be on Forest Service road 579. It is 9.5 miles from the highway to the first junction-there is a pit toilet there just past the Bruce Meadows air strip. Turn right on the Dagger Falls Road and follow it to the end. As you drop down the last hill there is a turn to the right for Daggar Falls Campground. If you continue to bottom of hill on main road you will see gravel parking & pit toilets and horse tie racks on left, this is called Boundry Creek, with gravel tent areas. if you go beyond there the road dead ends 1/2 mile on at a raft launch and campground. There is a loop road and pit toilets down there.
